Montgomery Glen Golf & Country Club – Wetaskiwin, Alberta**

Dear Sir/Madam;

The office of the Indigenous Sports Council of Alberta operates out of the community of Hobbema. The Indigenous Sports Council of Alberta was established in 1993 to support and coordinate Aboriginal Sport and Recreation Development throughout Alberta. The ISCA mandate is:

- To encourage and promote the physical, spiritual and cultural health, and fitness of Indigenous Youth within the Province of Alberta;
- To increase awareness and understanding of Indigenous peoples, their cultures and communities;
- To encourage and promote Indigenous Youth to pursue higher levels of education;

On behalf of the Indigenous Sports Council of Alberta, we are requesting for **Financial Sponsorship** or a **Merchandise Contribution (\$250.00 - \$1,500.00)** and/or a **“Hole in One” Sponsorship (\$300.00)** to our Golf Texas Scramble Fundraising Event to be held on Aug. 15, 2009 at the Montgomery Glen Golf & Country Club in Wetaskiwin, Alberta. The Indigenous Sports Council of Alberta is a non-profit organization. A receipt will be issued should you require one.

The ISCA will display your signage at designated areas throughout the golf course. Please indicate whether we have to get the signage prepared for you, or if you already have something in place that you will be using.

The **Entry Fee is \$800.00 Per Team** (\$200.00 per person) - a registration form is enclosed. **Deadline for Entry Fees and Sponsorships is July 15, 2009.** Please make **cheque** payable to the **“Indigenous Sports Council of Alberta”**, and indicate the applicable area to which it applies (i.e. – Financial Sponsorship, Merchandise Contribution, “Hole in One” Sponsorship and/or Entry Fee).

Thank you for your time and generosity! See you on August 15, 2009!!!
